

MATTHEW XVIII NEWS

Dear Friends,

A woman once told me that God was opening a door “wide open with great force” for this ministry which would lead to many open doors after that. She shared this message 6 months before I traveled to Uganda where my presentation to Uganda Parliament members contributed to their decision to tell the UN, “No way,” to sex education in their schools. To say many open doors have opened after that is an understatement. Many of you have shared that you look forward to these reports as God is clearly showing how He is defeating the enemy using His Gideon’s army. Let me review what has happened in the last 4 months and then share 4 powerful assignments God has given this ministry.

January 31st – I appeared on The Resistance Chicks show REDPILL REVELATION with two Godly women, Leah and Michelle Svensson:

Host Scott Kesterson has asked me to not only be in his upcoming documentary and speak at his BARDSFEST Conference, but has also asked me to help provide training to those who want to Restore Biblical Purity in the Church. Here is the podcast:

The mission of this ministry has always been RESTORATION THROUGH EDUCATION and God has taken our message to many nations thus far. Here are the four assignments before us today:

1. RESTORE GOD’S LAW IN AMERICA– This ministry is committed to holding a prayer and praise service every year in the Texas Capitol building.

2. RSVP America = Restoring Social Virtue and Purity to America – The goal is to have at least 1 RSVP Conference in every state. On April 13th, 2024 we held the RSVP America conference in Jesup, GA, the 3rd state to host the conference. The CDF Director of Georgia came up to me after and said, “Audrey, your goal is one of these in each state in the U.S., I promise you we are going to take this message to every county in GA.” Another leader of a prayer group said, “I came with 10 leaders in the state and this conference has re-ignited us.” God willing the next RSVP America conference is going to be in Texas and CDF leaders in Florida are also interested. (Pictures of the event with the flyer, too.)

WHAT IS NEXT FOR 2024

This summer I will be traveling for my annual speaking tour and will be partnering with Rhonda Miller who is now working with The John Birch Society. I would ask, like always, that you pray for this ministry and consider contributing to our work. My team is getting bigger and I would like to thank my daughter Christy who has become my personal assistant and office manager, Jody and Christina Thigpen who have become my media team, and Kris Ludwinski who has given legal assistance as this ministry grows.

No matter what happens in the future, I pray you remember that we are on the winning side of this spiritual battle that is raging over our nation and across the world!

Blessings,
Audrey Werner
